My Dear Mr. Manley;

I am today in receipt of your telegram. As soon as I receive the cards I will begin advertising immediately. I have already begun advertising by word of mouth. I think it would be advisable to have the Ad put in the Norfolk Journal And Guide and Pittsburgh Courier. Also the Afro-American. People in this section read those newspapers very thoroughly weekly.

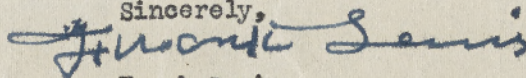

If the radio fee is not too high here and in Wilson I will have it put on the air with the two local radio stations.

I would advise that you get some form of a contract from the management of the baseball park in Wilson in order to insure safety on our part.

Hoping that we will have a full park in Wilson.

Best regards.

Sincerely,
